REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: applicant recites an automobile turntable comprised of a center disk, a plurality of petals attached to the center disk wherein the center disk and the petals define a turntable deck, a plurality of rollers are attached to the petals and the rollers rotatably engage a track and support the turntable deck. The device is further comprised of a motor adapted to selectable rotate the turntable deck, wherein each of the petals has a first radial edge and a second radial edge, each of the first radial edges having a reinforcement, each of said second radial edge not having any reinforcement. The reinforcement of the first radial edges comprising each petal having a reinforcing flange depending from the first radial edge and wherein the first radial edge of each of the petals engages and supports the second radial edge of an adjoining petal.

The prior art made of reference, taken singularly or in combination, does not adequately disclose the features recited in the instant claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
